

John Lima

iOS Developer

Born 1989 in Brazil

About me

I'm passionate about technology, science, developing things that improve people's lives and make the world a better place. I've been working with mobile development for iOS platform since 2014 with experience on all steps of iOS development, from the concept of the ideas until releasing the app on the store and following the results with analytics, tests and crashreports.

Also proficient in web services integration, external frameworks, fastlane, grew up bilingual (Portuguese and English)

Skills

Xcode Swift Obj-C git MVVM

MVC CI cocoapods SPM

Tests Auto Layout

Agile Methodologies

Framework Building
